IA&E Scenarios Overview and Ground Rules

IA&E Scenario Objectives

- Provide Workshop Participants with an interactive learning environment …
- to “apply” IA&E concepts and policies in the defense acquisition phases of a program …
- and have fun while doing so …

mprove Defense Acquisition Outcomes!

Workshop Overview and Ground Rules

- **Firebird EW Variant (FB EWV) Program Scene Setter**
- **Two Separate FB EWV Acquisition Phase IA&E Scenarios:**
  - Development
  - Production and Support
- **Four (4) Topic Areas per Scenario**
- **Each Table will be assigned a Topic Area for each Scenario:**
  - Use preparation time (20 min) to pick two of three questions to answer using available unclassified resources
  - Use wall-sized ‘Post It’ paper to document your Table’s ‘results’
- **DAU Professors will:**
  - Choose four tables to answer Topic Area
